

FORM 5A8
CURRICULUM VITAE (CV) FOR PROPOSED PROFESSIONAL STAFF

Name of the Consultant	
RFP IDENTIFICATION NO:	
Name of the Client	

1. PROPOSED POSITION FOR THIS PROJECT
2. NAME OF PERSON **Khandaker Rasel Hasan**
3. DATE OF BIRTH 30 November 1978
4. NATIONALITY Bangladeshi
5. MEMBERSHIP IN PROFESSIONAL SOCIETIES Member of Institute of Chartered Shipbroker, United Kingdom
International Association of Maritime Economist
6. EDUCATION
 - Doctor of Philosophy – Management and Commerce (Port Logistics System), Australian Maritime College, University of Tasmania, 2024
 - M. Sc. in Shipping Management, World Maritime University, Malmo, Sweden, 2009
 - M.B.A. in Accounting Information System, Dhaka University, Bangladesh, 2007.
 - M.Sc. in Statistics, Shahjalal University of Science and Technology, Sylhet, Bangladesh, 2000
 - B. Sc. (Hon's) in Statistics Shahjalal University of Science and Technology, Sylhet, Bangladesh, 1999
7. OTHER TRAINING
 - Overview of e-governance and e-commerce, APD, Dhaka, 2005
 - Fundamental Management Training, BIM, Dhaka, 2005
 - Transport Studies and Research Methodologies, Dhaka, 2005
 - Public Procurement Management, BIM, Dhaka, 2007
 - Project Management with Microsoft Project, BCC, Dhaka, 2011
 - Public Private Partnership, IIFC, Dhaka, 2013
 - Public Private Partnership, PPP Office, Dhaka, 2014
 - Public Private Partnership, WB-BB, Dhaka, 2015
 - Public Private Partnership Project Management, i-deck, Bangalore, India, 2016
 - Energy Efficient Ship Management, Shanghai Maritime University, Shanghai, China, 2017
8. LANGUAGES

Language	Speaking	Reading	Writing
Bengali (M.T)	Fluent	Fluent	Fluent
English	Fluent	Fluent	Fluent
9. COUNTRIES OF WORK EXPERIENCE Bangladesh and Australia
10. EMPLOYMENT RECORD
EMPLOYER 1
From 2020 – Ongoing

Employer	Australian Maritime College, University of Tasmania, Australia.
Position held	Lecturer
Summary of activities	• Preparing and delivering lectures, conducting tutorials, seminars, and practical sessions and marking exam papers. • Research in the transport and logistics area.

EMPLOYER 2

From	2015 – 2024
Employer	Bangabandhu Sheikh Mujibur Rahman Maritime University (BSMRMU), Bangladesh
Position held	Assistant Professor
Summary of activities	• Preparing and delivering lectures, and conducting tutorials, seminars, and practical sessions. • Preparing and marking essays, assignments and examinations. • Attending departmental and faculty meetings, conferences and seminars. • Supervising work programs of postgraduate and honours students and tutorial staff. • Participating in setting course and degree requirements, curriculum revision and academic planning. Serving on the council, senate, faculty and other committees and professorial boards. • Conducting research and undertaking consultancies in a particular field of knowledge. • Actively seeking and securing external funding including the preparation and submission of research proposals to external funding bodies.

EMPLOYER 2

From	2018 – 2020 to 2021-2022
Employer	World Bank
Position held	Short term consultant (SAR)
Summary of activities	• Worked in a two-member expert team in preparing the political economic analysis on the constriction of the bay terminal under Chittagong port. • Worked with multiple missions identifying the funding scope for World Bank, specifically on the modal shift from road to the river and inland water transport safety.

EMPLOYER 2

From	2004 – 2015
Employer	Bangladesh Inland Water Transport Authority (BIWTA), Ministry of Shipping
Position held	Various positions (Assistant Director and Deputy Director – Planning)
Summary of activities	• Examining the plan prepared by the Architects, Engineering Professionals and other Professionals and arranging submission of plans to higher authorities • Examining the project cost, and financial and economic returns of the project negotiating with the funding agencies, local authorities and subcontractors involved in the construction process to ensure projects are completed on time

and within budget

- Overseeing the standard and progress of work and reporting to the higher authorities
- Advising senior management on matters requiring attention and implementing their decisions
- Collecting and analyzing data associated with projects undertaken and reporting on project outcomes.
- Developing, reviewing and negotiating variations to programs, projects and services
- Preparing tenders and contract bids and consulting and working with Project Director, Architects, Engineering Professionals and other Professionals, and Technical and Trades Workers
- Coordinating labour resources, and procurement and delivery of materials, plant and equipment and responding to inquiries and resolving problems concerning programs, projects, services provided, and persons affected.
- Operating and implementing coordinated work programs for sites following the government legislation and standards of performance, quality, cost and safety.

11. WORK UNDERTAKEN THAT BEST ILLUSTRATES CAPABILITY TO HANDLE THE TASKS ASSIGNED

Mr. Hasan has about *20 years of working experience* in the field of Financial and Economic analysis, Port Management, Traffic Management, Project Preparation etc. He worked in various important projects in his career.

Some of his projects involved are as follows:

Project Name	Feasibility Study for the construction of Container Terminal at Meghna
Year	2015
Location	Bangladesh
Client	Meghana Group Ltd
Position Held	Traffic and Financial Expert
Activities Performed	• Preparation of the Traffic projection and forecasting for the Container Terminal. • Market Analysis and Financial analysis for feasibility of the Container Terminal. • Preparation of the detailed project report.
Project Name	Feasibility Study for construction of Port Facilities at Nagarbari, Bagahbari & Chilmari and Installation of Special types of Pontoons
Year	2016
Location	Bangladesh
Client	BIWTA
Position Held	Financial and Economic Expert
Activities Performed	• Economic and financial modelling and analysis • Conducted the Cost benefit analysis for the port facilities • Preparation of the detailed project report.
Project Name	Operation of Maritime Technology Cooperation Centre (MTCC) in

Year	Bangladesh. 2017
Location	Bangladesh
Client	International Maritime Organization (IMO)
Position Held	Country Focal Point
Activities Performed	• shipping emission data collection at Ports levels. • Organizing trainings, workshops and seminars for the government employees working under the Ministry of Shipping. • Liaison with the SMU and IMO officials
Project Name	Feasibility Study for construction of Port facilities at Faridpur, Nowapara, Chattak, Cox'sbazzar, Ferry crossing facilities at Aricha-Nowapar, Cox'sbazar-Moheskhal, Jetties at Sent Martin, Teknaf, Chanua, Borogup, Chttar Uddin
Year	2017
Location	Bangladesh
Client	BIWTA
Position Held	Traffic Expert and Economist
Activities Performed	• Preparation of Traffic projection and forecast for the Port Facilities. • Economic and financial modelling and analysis for the project. • Preparation of the detailed project Report.
Project Name	Feasibility Study for construction of Port facilities at Sunamganj, Kanchpur, Meghna Ghat, Maju-Chowdhury hut, Daudkandi, Narshingdi, Barguna, Galachipa, Mongla, Khulna and Tekerhat by BIWTA
Year	2017
Location	Bangladesh
Client	BIWTA
Position Held	Financial and Economic Expert
Activities Performed	• Conducting economic and financial modelling and analysis, • Preparation of the detailed project report.
Project Name	Human Resource Practices at the Shipping Companies of Bangladesh
Year	2017
Location	Bangladesh
Client	BSMRMU
Position Held	Project Director/ Team Leader
Activities Performed	• Conducting economic and financial modelling and analysis, • Preparation of the detailed project report.
Project Name	Operational Efficiencies of Inland Clearance Depots around Chittagong Ports
Year	2018
Location	Bangladesh
Client	BSMRMU
Position Held	Deputy Project Director/ Deputy Team Leader
Activities Performed	• Planning, design and implementation including literature review, questionnaire development • Surveying, data tabulation and analysis and presenting the findings.
Project Name	Bangladesh Inland Water Transport: Low Carbon Strategy and Modal Shifting
Year	2016
Location	Bangladesh
Client	World Bank
Position Held	Research Analyst

Activities Performed	• Stakeholder consultation, Focus group discussion, Data analysis and Report writing. • Conducting Market analysis for Low Carbon alternatives
Project Name	Port Sector Study by DY Engineering, Republic of KOREA
Year	2018
Location	Bangladesh
Client	Government of Korea
Position Held	National Port Consultant
Activities Performed	• Stakeholder consultation, data collection and analysis, result presentation. • Detailed study on optimum Port Capacity and strategy analysis
Project Name	Feasibility Study for procurement of different types of service vessels for Mongla Port.
Year	2019
Location	Bangladesh
Client	Mongla Port Authority
Position Held	Port Planner.
Activities Performed	• Stakeholder consultation, data collection and analysis, traffic forecast. • Detailed analysis of the future traffic flow and recommend the number and types of vessels needs to procure.
Project Name	Feasibility Study for procurement of different types of service vessels for Bangladesh Inland Water Transport Authority (BIWTA).
Year	2019
Location	Bangladesh
Client	BIWTA
Position Held	Financial and Economic Expert
Activities Performed	• Conducting economic and financial modelling and analysis, • Preparation of the detailed project report.
Project Name	Feasibility Study for the construction of Terminal Facilities at Comilla EPZ
Year	2020
Location	Bangladesh
Client	BIWTA
Position Held	Traffic and Financial Expert
Activities Performed	• Preparation of the Traffic projection and forecasting. • Market Analysis and Financial analysis for feasibility of the dredging and terminal construction. • Preparation of the detailed project report.
Project Name	Feasibility Study for the Procurement/ Acquisition of required number of Hover Crafts including Establishment of Workshop/ Repair Facilities and related Infrastructures in order to Ensure Daily & Emergency Transportation/ Services through Waterway during Disaster Period.
Year	2020
Location	Bangladesh
Client	BIWTC
Position Held	IWT expert
Activities Performed	• Stakeholder consultation, data collection and analysis, traffic projection. • Conducting economic and financial modelling and analysis. • Preparation of the detailed project report.
Project Name	Sustainable port development in Australia.

Year	2020
Location	Australian
Client	Australian Maritime College
Position Held	Research Associate
Activities Performed	• Stakeholder consultation, data collection and analysis. • Understanding the current practices of sustainability in Australian Ports and present the findings.
Project Name	Market Assessment of logistics sector opportunities in Bangladesh.
Year	2021-22
Location	Bangladesh
Client	World Bank/BIWTA
Position Held	Research Associate
Activities Performed	• Stakeholder consultation, data collection and analysis. • Understanding the current trade logistics structure and potential development opportunities
Project Name	Jamuna River Economic Corridor Development.
Year	2022
Location	Bangladesh
Client	World Bank/BIWTA
Position Held	IWT expert, National
Activities Performed	• Stakeholder consultation, data collection and analysis. • Understanding the current IWT operation in the Jamuna River, examining the development opportunities.
Project Name	Innovative Industry 4.0 technology for port resilience
Year	2023
Location	Australia
Client	Australian Maritime College/International Association of Maritime Universities
Position Held	Research Assistant/ Associate
Activities Performed	• Literature review, questionnaire development • Stakeholder consultation, data collection and empirical analysis. • Writing report and presentation to the stakeholders
Project Name	Economic analysis of the Kelp production system in Australia
Year	2023
Location	Australia
Client	Australian Maritime College/CRC Blue Economy
Position Held	Research Assistant/ Associate
Activities Performed	• Literature review, questionnaire development • Stakeholder consultation, data collection. • Financial and economic analysis
