Market & Business Research: Data Collection, Industry and Competitive Analysis, SWOT and Trend Analysis, Report Development

Tools & Technologies: MS Excel, PowerPoint, Word, Python (Pandas), Power BI, IBM SPSS

CRM & Lead Management: Proficient in Salesforce and LeadSquared CRM for Lead Tracking, Reporting, and Client Engagement

Soft Skills: Analytical Thinking, Proactive Approach, Effective Communication, Problem-Solving, Team Collaboration, Adaptability

WORK EXPERIENCE:

Consultant | Forvis Mazars LLP | Mumbai, India | May 2025- present

- Driving business development initiatives within the Transport and Logistics division by identifying and evaluating public and private sector opportunities across ports and maritime, multimodal logistics, and infrastructure planning.
- Leading preparation of technical and financial proposals, aligning firm expertise, project credentials, and consortium partnerships with complex RFP requirements from key authorities.
- Collaborating with government authorities, private clients and key stakeholders within the transport and logistics ecosystem to strengthen industry relationships, enhance firm visibility and foster long-term strategic associations.

Market Research Analyst | Deendayal Port Authority | Kandla, India | September 2024- May 2025

- Conducted market research and competitive analysis to identify business opportunities, industry trends, and operational efficiencies in the maritime sector.
- Analyzed data from trade reports, port performance metrics, and economic trends to support strategic decision-making.
- Managed stakeholder engagement with shipping lines, logistics companies, and government authorities, fostering partnerships.

Guest Experience Expert | Marriott Hotels | Birmingham, U.K | August 2022 - September 2024

- Managed guest relations and front-office operations, ensuring a seamless customer experience through personalized service and efficient problem-solving.
- Utilized Salesforce CRM to track guest preferences, manage feedback, and improve client engagement strategies.
- Prepared daily operational reports using Excel and internal tools, optimizing resource allocation and improving efficiency.

Business Development Associate | InterviewBit Software Services | Bengaluru, India | October 2020 - December 2020

- Managed the end-to-end sales cycle, from lead qualification to conversion, ensuring revenue growth.
- Utilized LeadSquared CRM to track customer interactions, generate reports, and optimize engagement strategies.
- Conducted market research to identify new business opportunities and prepared presentations for sales pitches.
- Scheduled and coordinated client meetings, follow-ups, and engagement activities with prospective customers.

Territory Sales Manager | Nobroker Technologies Pvt Ltd | Mumbai, India | January 2020 - April 2020

- Spearheaded lead generation and client engagement, driving revenue through effective business development strategies.
- Prepared sales presentations and reports using MS PowerPoint and Excel to support decision-making.
- Managed client inquiries, documentation, and scheduling, ensuring a seamless sales process.

Sales Marketing Executive | Creative Infra | Mumbai, India | July 2017 - June 2018

- Led business development initiatives by identifying potential clients, conducting market research, and generating leads, contributing to a 25% increase in sales.
- Managed client relationships by coordinating meetings, delivering sales presentations, and ensuring a seamless follow-up process, resulting in a 90% client satisfaction rate.
- Collaborated with internal teams to create marketing materials, proposals, and promotional strategies, enhancing brand visibility and driving successful real estate transactions.
